

Team Travel Made Easy With dashPerDiem

We help universities go from administrative headaches to a fast, flexible, and secure way to manage student athlete per diems.

OVERVIEW

Per Diems and other travel expenses can be an administrative nightmare when athletes travel to tournaments and events. From a lack of oversight to compliance risks to uncertainty with respect to tournament length, per diem disbursement is no walk in the park.

CHALLENGES

1. Handling large sums of cash and adhoc check runs
2. Lost and stolen funds
3. Delivering the right funds to the right people while on the road
4. Tournaments & sports events that often get extended on the road unexpectedly

SOLUTIONS

Here's how the process will start to improve with dashPerDiem:

1. Flexibility to load and re load, anytime!
2. Deactivate & issue a new card with the click of a button
3. Easy to use - let the players focus on winning!
4. Simple tracking & management on client portal- complies with NCAA regulations
